The 10 Army Group, 3 Field Army, recently began to give volunteers from Fukien a short period of training at Chinchiang (118-34, 24-54) before incorporating them into various subordinate units. It is estimated that 20,000 will be trained. Over 3,700 are reported to have already been trained. Barracks for 15,000 are under construction and are scheduled for completion within two months. Volunteers are now housed in schools and temples. They are confined to barracks, and the Chinchiang Military Control Committee has assigned one company of soldiers to patrol the area.
